

CONSTRUCTION DOCUMENT SPECIALIST (CDS) COURSE
Construction Working Drawings and Project Manual

CLASS STARTS: MONDAY, MARCH 8, 2010

The Construction Document Specialist course is an intermediate program that is offered in two parts. The Greater Orlando NAWIC Chapter will be offering part one of this course starting Monday, March 8, 2010. This course deals with interpreting information conveyed from architects and engineers to contractors by way of legal documents.

Curriculum covered in this course will include:

- > Working Drawings: Civil, Architectural, Structural, Mechanical and Electrical
- > Project Manual
- > Specifications

Classes will be held on Monday evenings from March 8 through April 26 from 5:30 p.m. to 8:00 p.m. at Trauner Consulting Services, Inc., 5337 Millenia Lakes Blvd., Suite 200, Orlando, Florida. (This location is a quick ¼ mile off of Interstate 4)

Instructor, Cheryl C. McBride, has twenty six years experience in the construction industry. Her vast experience and varied background include working as a field inspector, senior construction inspector, quality assurance engineer, field engineer, estimator, superintendent, construction manager, project manager and much, much more. Cheryl holds a Bachelor of Technology in Civil Engineering and an Associate of Applied Science in Construction Technology. She is committed to making this course meaningful, interesting and an outstanding learning experience for each participant.
